Name

Ruth O'Reilly

Organisation or business name

Individual

Position (job title)

Individual

email address

[REDACTED]

Which stakeholder group best describes you?

General public

Do you support extending the summer petrol volatility period from 15 November - 15 March to 1 November - 31 March?

support

Do you support requiring older operations at EPA licensed industrial premises to meet the more stringent emission standards that apply to newer activities and plant?

strongly support

Do you support the transition period (by 2025 to 2030) for these older activities and plant to meet more stringent emission limits?

strongly support

Do you support expanding the geographic area in which controls apply for the storage and transfer of volatile organic liquids to include the greater Newcastle and Wollongong metropolitan areas, so they are included in the area that requires petrol vapours to be captured during transfer of petrol between underground storage tanks and road tankers (the stage one zone in the Clean Air Regulation)?

strongly support

Do you support the proposed new tightened emission limits and control requirements for all volatile organic liquid storage tanks, loading plant and tank vehicles regardless of age?

strongly support

What do you think are the most important sources of air pollution to address in Sydney?

Petrol

What do you think are the most important sources of air pollution to address in Newcastle?

Coal burning

What do you think are the most important sources of air pollution to address in Wollongong?

Coal burning

What do you think are the most important sources of air pollution to address in the Greater Metropolitan Region?

Petrol
