[BULK] Take the Survey Form Submission

There has been a submission of the form Take the Survey through your NSW Environment Protection Authority website.

**Name**

Elizabeth Honey

**Organisation or business name**

Individual

**Position (job title)**

None

**email address**

[REDACTED]

**Which stakeholder group best describes you?**

General public

**Do you support extending the summer petrol volatility period from 15 November - 15 March to 1 November - 31 March?**

strongly support

**Do you support requiring older operations at EPA licensed industrial premises to meet the more stringent emission standards that apply to newer activities and plant?**

strongly support

**Do you support the transition period (by 2025 to 2030) for these older activities and plant to meet more stringent emission limits?**

strongly support

**Do you support expanding the geographic area in which controls apply for the storage and transfer of volatile organic liquids to include the greater**

**Newcastle and Wollongong metropolitan areas, so they are included in the area that requires petrol vapours to be captured during transfer of petrol between underground storage tanks and road tankers (the stage one zone in the Clean Air Regulation)?**

strongly support

**Do you support the proposed new tightened emission limits and control requirements for all volatile organic liquid storage tanks, loading plant and tank vehicles regardless of age?**

strongly support

**Do you have any comments on the timing of the transition period for meeting the proposed new requirements: • 2024 to 2027 for new storage tanks, loading plant and tank vehicles, and • the next major maintenance or 2027 to 2030 for existing storage tanks, loading plant and tank vehicles?**

The proposed new requirements should be met as soon as possible for both new and existing storage tanks, loading plant and tank vehicles, by 2025 for new ones and not later than 2027 for the existing ones.

**Do councils wish to amend their listings in Part 1, 2 and 3 of Schedule 1 to provide different levels of control of burning of vegetation and domestic waste in their local government areas?**

Yes

**Do you have any other comments on the remake of the Clean Air Regulation?**

Reducing air pollution will improve health and lower the death rate.

**What do you think are the most important sources of air pollution to address in Sydney?**

Traffic

**What do you think are the most important sources of air pollution to address in Newcastle?**

Coal power plants and coal trains

**What do you think are the most important sources of air pollution to address in Wollongong?**

Don't know

**What do you think are the most important sources of air pollution to address in the Greater Metropolitan Region?**

Burning fossil fuels: coal, gas and petrol
